# Drive Into the Curse of the Museum August 18th

Everything comes to life August 18th with Starlight Cinema's screening of Night at the Museum! The movie will show on Saturday, August 18th at dark as part of the 2007 Starlight Cinema season. The Fairfax County Park Authority has revived the fun of drive-in movies for a new generation each Saturday in August with family oriented programming and a free movie at 5875 Trinity Parkway in Centreville.

Night at the Museum follows Larry Daley through his first shift as a night guard at the Museum of Natural History. He is unaware of the ancient curse that haunts the museum's artifacts. The statues in the museum wreak havoc all night, putting Larry in a position where he must save the museum before dawn.

The drive-in movie theater was once an icon of American social life. Millions of avid movie-goers were entertained in the comfort of their cars by films shown on big screens, outdoors. Now, families can carry on this tradition with Starlight Cinema's free summer programming. Beginning at 7:30, the Park Authority will host music, food and children's activities while you wait for the movie to start at dark.

Night at the Museum is rated PG. The drive-in may be reached by taking beltway exit 49 west (I-66 West) to exit 53A (Sully Road, VA-28 South) towards Centreville. Merge onto Lee Highway (Rt. 29); take a right onto Trinity Parkway. The parking lot is in front of the Trinity Office Building. Shows will be canceled in case of rain. For more information, please call 703-324-SHOW.
